

TRUTH-IN-SAVINGS DISCLOSURE

SAVINGS Ltd. ACCOUNT

Rate Information - The dividend rate and annual percentage yield is variable and may change at any time, as determined by the Credit Union Board of Directors. See rate sheet for specific rate details.

Compounding and crediting - Dividends will be compounded every quarter. Dividends will be credited to your account every quarter.

Dividend period - For this account type, the dividend period is quarterly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the first day of the dividend period. For the example above, the dividend declaration date is January 1. If you close your share account before dividends are paid, you will not receive the accrued dividends.

Minimum balance requirements - The minimum balance required to open this account is \$5.00. You must maintain a minimum daily balance of \$100.00 in your account each day to obtain the disclosed annual percentage yield.

Daily balance computation method - Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Accrual of dividends on noncash deposits - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations - During any month, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer, computer transfer, telephonic order or instruction, or overdraft protection transfer or similar order to a third party. If you exceed the transfer limitations set forth above, your account will be subject to closure by the credit union.

Fees and charges - This account is subject to an early closure fee as listed on the Fee Schedule.
