**How We Will Calculate Your Balance:** We use a method called “average daily balance (including new purchases).” **Billing Rights:** Information on your rights to dispute transactions and how to exercise these rights are provided in your Cardholder Agreement.

### How Do You Calculate My Variable Rates?

Your variable rates may change when the Prime rate changes. We calculate the variable rate by adding 6.9% to the Prime rate published in The Wall Street Journal on the 25th day of each month. Variable rates will be updated quarterly and will take effect on the first day of your January, April, July and October billing periods: Purchase APR: Prime plus 6.90%, and Cash Advance APR: Prime plus 6.90%. Any increase in the Prime rate may increase your Interest Charges and your Minimum Payment.

**Minimum Payment:** The minimum monthly payment will be 3.00% of the current balance or \$25.00, whichever is greater, unless your balance is less than \$25.00. If the balance is less than \$25.00, then your minimum payment will be the amount of the statement balance. Any amount that is past due or prior minimum payments that are not made will also be added to the minimum monthly payment amount.

**Credit Balances:** We may reject and return any payment that creates or adds to a credit balance on your Account. Any credit balance we allow will not be available until we confirm that your payment has cleared. We may reduce the amount of any credit balance by any new charges. You may write to the address provided on your Statement or call our Contact Center to request a refund of any available credit balance.

**Paying Us Back:** You will receive a billing statement, if one is required, each month. It will show your minimum required payment. After you make a payment, it may take up to 5 days to restore available credit on your account.

**What It Means To You:** You must follow the payment instructions on your billing statement. You can pay us by: check, money order, or electronic payment drawn on a U.S. bank or foreign bank branch in the U.S. All payments must be in U.S. Dollars. You authorize us to collect any payment check either electronically or by draft. Payments marked "paid in full" must be sent to the Conditional Payments address shown on your billing statement. See your billing statement for complete payment instructions.

**Our Responsibility:** As long as you make your payment in accordance with the instructions on your billing statement by the date and time payments are due, we will credit your payment marked as "paid in full" without losing our rights.

**Grace Period For Repayment Of Cash/ATM Advances:** Interest charges begin to accrue immediately (there is no Grace Period) and remain in effect until the cash advance is paid off completely.

**Payment Allocation:** We will apply your minimum payment first to lower APR balances. Payments made in excess of the minimum payment will be applied to balances with higher APRs first before balances with lower APRs.

**Cardholder Agreement:** You agree to be bound by the terms of the Cardholder Agreement, which will be sent with the Card. You also agree that the Cardholder Agreement and the account are governed by Iowa and federal law. Except for any introductory/special APR offers, the terms of your account, including rates and fees, are subject to change.

**Visa® Business uChoose Rewards:** Every \$1 in purchases net of returns (“Net Purchases”) “You” charge to your account covered by this uChoose Rewards Program and that appears on your statement during the Program period, earns one bonus point. Points for this Program begin to accumulate with purchases you make beginning on the first day you are accepted into the Program. Rewards earned go to the business and not separate card holders. Final uChoose Reward orders must be received no later than 60 days after your Program ends. Contact us for details.
