How We Will Calculate Your Balance: We use a method called "average daily balance (including new purchases)."

How Do You Calculate My Variable Rates?

Your variable rates may change when the Prime rate changes. We calculate the variable rate by adding 6.9% to the Prime rate published in The Wall Street Journal on the 25th day of each month. Variable rates will be updated quarterly and will take effect on the first day of your January, April, July and October billing periods: Purchase APR: Prime plus 6.90%, and Cash Advance APR: Prime plus 6.90%. Any increase in the Prime rate may increase your Interest Charges and your Minimum Payment.

Minimum Payment: The minimum monthly payment will be 3.00% of the current balance or \$25.00, whichever is greater, unless your balance is less than \$25.00. If the balance is less than \$25.00, then your minimum payment will be the amount of the statement balance. Any amount that is past due or prior minimum payments that are not made will also be added to the minimum monthly payment amount.

Grace Period For Repayment Of Cash/ATM Advances: Interest charges begin to accrue immediately (there is no Grace Period) and remain in effect until the cash advance is paid off completely.

Payment Allocation: We will apply your minimum payment first to lower APR balances. Payments made in excess of the minimum payment will be applied to balances with higher APRs first before balances with lower APRs.

Cardholder Agreement: You agree to be bound by the terms of the Cardholder Agreement, which will be sent with the Card. You also agree that the Cardholder Agreement and the account are governed by Iowa and federal law. Except for any introductory/special APR offers, the terms of your account, including rates and fees, are subject to change.

Visa® Business Choice Rewards: Every \$1 in purchases net of returns ("Net Purchases") "You" charge to your account covered by this Choice Rewards Program and that appears on your statement during the Program period, earns one bonus point. Points for this Program begin to accumulate with purchases you make beginning on the first day you are accepted into the Program. Final Choice Reward orders must be received no later than 60 days after your Program ends. Contact your Financial Institution for details. Accounts not in good standing (those delinquent two or more billing cycles, over-limit, Bankrupt, Closed, Revoked, Frozen, prohibited from interest accrual or closed) will forfeit Choice Rewards Points.
