How We Will Calculate Your Balance: We use a method called “average daily balance (including new purchases).”

Billing Rights: Information on your rights to dispute transactions and how to exercise these rights are provided in your Cardholder agreement.

Minimum Payment: The minimum monthly payment will be 2.50% of the current balance or \$25.00, whichever is greater, unless your balance is less than \$25.00. If the balance is less than \$25.00, then your minimum payment will be the amount of the statement balance. Any amount that is past due or prior

minimum payments that are not made will also be added to the minimum monthly payment amount.

Payment Allocation: We will apply your minimum payment first to lower APR balances. Payments made in excess of the minimum payment will be applied to balances with higher APRs first before balances with lower APRs.

Cardholder Agreement: You agree to be bound by the terms of the Cardholder Agreement, which will be sent with the Card. You also agree that the Cardholder Agreement and the account are governed by Iowa and federal law. Except for any introductory/special APR offers, the terms of your account, including rates and fees, are subject to change.
